

CURRICULUM VITAE

CHARLES P. MELONE, JR., M.D., F.A.C.S.

EDUCATION

UNDERGRADUATE

Georgetown University
Washington, D.C.
Bachelor of Arts
1964

MEDICAL

Georgetown University School of Medicine
Washington, D.C.
Doctor of Medicine
1969

POST-DOCTORAL WORK

INTERNSHIP

Surgical Internship
Nassau County Medical Center
East Meadow, New York
July 1, 1969 to June 30, 1970

RESIDENCY

General Surgical Residency
Nassau County Medical Center
East Meadow, New York
July 1, 1970 to June 30, 1971

Orthopaedic Surgical Residency
Nassau County Medical Center
East Meadow, New York
July 1, 1971 to June 30, 1974

FELLOWSHIP

Hand Surgery Fellowship
Institute of Reconstructive Plastic Surgery
New York University Medical Center
New York, New York
July 1, 1974 to June 30, 1975

MEDICAL LICENSURE

New York # 107 813 1970

New Jersey #MA 65591 1997

Florida #ME 79392 1999

TEACHING APPOINTMENTS

Clinical Assistant Professor of Orthopaedic Surgery
New York University School of Medicine
July 1, 1975 to September 1, 1983

Clinical Associate Professor of Orthopaedic Surgery
New York University School of Medicine
September 1, 1983 to September 1, 1987

Clinical Professor of Orthopaedic Surgery
New York University School of Medicine
September 1, 1987 to May, 1999

Professor of Clinical Surgery
Department of Surgery – Division of Orthopaedic Surgery
Albert Einstein College of Medicine of Yeshiva University
New York, NY
January 1, 1997 – Present

HOSPITAL APPOINTMENTS

Director of Hand Surgery – Department of Orthopaedics
Beth Israel Medical Center
January 5, 1997 to Present

Assistant Attending Surgeon – Department of Surgery
Beth Israel Medical Center
October 10, 1995 to Present

Attending, Director of Hand Surgical Services
Cabrini Medical Center
July 1, 1975 to May, 1994
Courtesy Staff Member – Dept. of Orthopaedic Surgery
May, 1994 - Present

Senior Attending – Dept. of Orthopaedics
St. Luke's-Roosevelt Hospital
1000 Tenth Avenue
New York, New York 10025

Associate Attending Surgeon - Orthopaedic Section of Hand Surgery
New York University Medical Center - Bellevue Hospital
July 1, 1975 to August 31, 1991

Attending Surgeon – Orthopaedic Section of Hand Surgery

New York University Medical Center – Bellevue Hospital
September 1, 1991 – May, 1999

Attending Surgeon – Department of Orthopaedic Surgery

St. Vincent's Hospital & Medical Center of New York
September, 1981 to August, 1993

St. Vincent's Hospital & Medical Center of New York
Honorary Staff Member
September, 1993 to Present

PROFESSIONAL ORGANIZATIONS

Member, New York County Medical Society
1976

Board Certified, American Board of Orthopaedic Surgery
1976

Member, American Medical Association
1978

Member, New York Society for Surgery of the Hand
1977

Member, New York State Society of Orthopaedic Surgeons
1978

Fellow, American Academy of Orthopaedic Surgeons
1979

Member, American Society for Surgery of the Hand
1979

Member, Morgagni Medical Society
1980

Fellow, American College of Surgeons
1982

Staff Physician - Medical Panel - New York State Athletic Commission
1984

Member, Orthopaedic Research and Education Foundation - Order of Merit
1985

Member - Board of Directors, The American Association for Hand Surgery
1986

Member, The Eastern Orthopaedic Association
1986

Chairman, Sports Injury Committee, The American Association for Hand Surgery
1986-1987

Member - Program Committee, The American Association for Hand Surgery
1987

PROFESSIONAL ORGANIZATIONS

Secretary, The New York Society for Surgery of the Hand
1987 & 1988
1989 - Vice President
1990 - President - Elect.

President, The New York Society for Surgery of the Hand
(Term Ended 1992)

Member, Medical Advisory Board - State Athletic Commission
New York State

Member, Board of Regents - Georgetown University

Member, The American Orthopaedic Association

Member, Medical Advisory Board – Scleroderma Foundation

CERTIFICATION

Board Certified - American Board of Orthopaedic Surgery
1976

Certificate of Added Qualification in Hand Surgery - American Board of Orthopaedic
Surgery
January, 2004

SPORTS MEDICINE FOR THE UPPER EXTREMITY

Team Hand Surgeon:

New Jersey Devils Hockey Team

New Jersey Nets Basketball Team

Public School Athletic League

Staff Physician - New York State Athletic Commission

Georgetown University Basketball Team

Hand Surgical Consultant:

New York Yankess

Former Hand Surgical Consultant

New York Islanders

RESEARCH PROJECTS

Evaluation of Suture Materials and Tendon Healing

Evaluation of Freeze-Dried Tendon Grafts

Evaluation of Effect of Hematoma within the Digital Flexor Sheath

Scientific Exhibit - American Academy of Orthopaedic Surgeons. Use of Four Dimensional X-ray Technique in Orthopaedic Surgery, 1973

RESEARCH PROJECTS

Scientific Exhibit - American Society for Surgery of the Hand. Treatment of Scaphoid Pseudoarthrosis with Bone Grafting and Pulsing Electromagnetic Fields. Annual Meeting, 1986

Scientific Exhibit - American Academy of Orthopaedic Surgeons. An Anatomic Classification of Distal Radius Articular Fractures. Annual Meeting, 1992

POST-GRADUATE COURSES

New York University Medical Center, **Hand Surgery Course** Annual, 1975 to 1980
1975-1976:

- Injuries of the Wrist
- Nerve Entrapment and Electrodiagnostic Studies
- Surgery for Degenerative Arthritis

1977:

- Principles of Flexor Tendon Injuries
- Injuries of the Wrist
- Surgery for Degenerative Arthritis

1978:

- Fingertip Injuries and Local Flaps
- Principle Management for Fractures
- Surgery for Degenerative Arthritis

New York University Medical Center – Hand Surgery Annual Course

1979:

- Skeletal Injuries of the Hand

1980:

- Scaphoid Fractures
- Fractures of Metacarpal
- Injuries of MC and MP Joints
- Traumatic Synovitis and Tendonitis

New York University Medical Center, **Management of Trauma**

- Skeletal Injuries of the Hand
- Osseous Injuries of the Hand and Carpus

New York University Medical Center, **Common Orthopaedic Problems**

Annual, 1975 to 1980

- Anatomic Basis for Common Hand Problems
- Initial Management of Hand Trauma

New York University Medical Center, **Rehabilitation Medicine**

Annual, 1980-1985

- Rehabilitation of the Rheumatoid Hand

POST- GRADUATE COURSES

Foundation for Hand Research, **Concepts of Hand Therapy**

Annual, 1979-1980

- Degenerative Arthritis
- Injuries About the Wrist
- Severe Mutilating Injuries and Reattachment
- Wrist Injuries, Entrapment Syndrome
- Treatment Philosophy and Surgical Reconstruction of Rheumatoid Arthritis

New York University Medical Center, **Surgery for Upper Extremity Arthritis**, Course Director

- Synovitis, Tenosynovitis and Tendon Ruptures
- Digital Joint Arthrodesis
- Rehabilitation of the Rheumatoid Hand

New York University Medical Center, **Plastic Surgery Review**, Course

Annual, 1980 - 1982

- Arthritis and Implant Surgery

- Fractures and Joint Injuries

Mountainside Hospital, **Grand Rounds**

January, 1980

- Replantation of the Hand

New York University Medical Center, **Rheumatology Grand Rounds**

September, 1980

- Surgical Management of the Rheumatoid Hand

St. Joseph's Hospital, New Jersey, **Orthopaedic Grand Rounds**

October, 1980

- Microsurgery

Jersey Shore Medical Center, **Surgical Orthopaedic Course for Nurses**

October, 1980

- Reattachment Surgery of the Hand

New York University Medical Center, **Weekly Hand Conferences**

1980-1988

- Osteoarthritis of the Upper Extremity
- Fingertip Injuries
- Management of Fractures
- Fractures of the Distal Radius

POST-GRADUATE COURSES

New York University Medical Center, **Orthopaedic Alumni Day**

November, 1981

- Arthroplasty of the Arthritic Hand

St. Vincent's Hospital, **Orthopaedic Grand Rounds**

1982

- Internal Fixation of Hand Fractures

New York University Medical Center, **Orthopaedic Grand Rounds**

1982

- Arthroplasty for the Arthritic Hand

New York University Medical Center, **Emergency Medicine**

1981-1982

- Common and Commonly Missed Injuries of the Hand and Wrist

St. Joseph's Hospital, New Jersey, **Orthopaedic Resident Course**

April 1982

- Articular Fractures of the Distal Radius

American Society for Surgery of the Hand, **Regional Review Course in Hand Surgery for Residents**

September, 1982

- Fingertip Injuries

New York University Medical Center, **Third Annual Review Course in Plastic Surgery**

November, 1982

- Hand Fractures and Joint Injuries
- Arthritis and Implant Surgery

The Presbyterian Hospital, New York, **Weekly Hand Conference**

December, 1982

- Interfragmental Compression of Phalangeal Fractures

American Society for Surgery of the Hand

Panel Participant: Fractures-Dislocations

Anaheim, California March 1983

St. Mary's Hospital, Hoboken, New Jersey

May, 1983

- Advances in Hand Surgery

POST-GRADUATE COURSES

New York University - Bellevue Medical Center **Alumni Association**

June, 1983

- Ligament Injuries of the Thumb in Professionals

American Society for Surgery of the Hand **Regional Review Course**, New York

September, 1983

- Fingertip Injuries

Foundation for Hand Research, **Concepts of Hand Therapy**, New York

October, 1983

- Treatment Philosophy and Surgical Reconstruction of Rheumatoid Arthritis
- Degenerative Arthritis of the Hand

American Society for Surgery of the Hand **Primary Care of Hand Injuries**

Lake Buena Vista, Florida

November, 1983

- Anesthesia for Hand Injuries
- Nailbed Injuries
- Joint Injury - Ligament Tears, Dislocation, Joint Fractures

Sports Medicine Symposium. The College of Staten Island, New York
November, 1983
- Hand Injuries

Hand Symposium - The Injured Hand in Athletes. The Hospital for Joint Diseases.
New York City
February, 1984
- Injuries of the Metacarpophalangeal Joints of the Fingers

American Academy of Orthopaedic Surgeons. **Upper Extremity Injuries in Athletes**
Washington, D.C.
June, 1984
- Phalangeal/Metacarpal Fractures/Collateral Ligament Injuries in Athletes
- Injuries of the Distal Radius

New York University/Bellevue Orthopaedic Alumni Association. **1984 Annual Meeting**
New York
June, 1984
- Difficult Hand/Wrist Fractures

POST-GRADUATE COURSES

Medical Society of the State of New York/New York Society for Surgery of the Hand
1984 Annual CME Assembly, New York
June, 1984
- Treatment of Fingertip Injuries

Foundation for Hand Research. **Concepts of Hand Therapy Course**, New York
September, 1984
- Treatment, Philosophy and Surgical Management of Rheumatoid Arthritis

American Society for Surgery of the Hand. **Primary Care of Hand Injuries Course**,
Atlantic City, New Jersey
September, 1984
- Anesthesia in the Management of Acute Hand Injuries
- Fingertip Injuries- Including Nail and Nailbed Injuries
- Fractures and Dislocations of the Carpus

New York State Athletic Commission. **Boxing Symposium**, Swan Lake, New York
September, 1984
- Panel Participant: Diagnosis and Treatment of Soft Tissue and Bony Injuries in the
Boxer - Emphasis: The Hand
- Boxer's Knuckle

New York University Hand Surgery Course

October, 1984

- Carpal Fractures and Dislocations

St. Luke's - Roosevelt Hospital Center. New York

March, 1985

- Interfragmental Compression of Phalangeal Fractures

New York University Hand Surgery Course

July, 1985

- Joints of the Hand

Foundation for Hand Research. **Concepts of Hand Therapy Course**, New York

September, 1985

- Treatment, Philosophies and Surgical Management of Rheumatoid Arthritis

American Society for Surgery of the Hand. Rochester, Minnesota

September, 1986

- Wrist Disorders: Hands on Experience.

Wrist Investigators Workshop

POST-GRADUATE COURSES

American Society for Surgery of the Hand

Winston-Salem, North Carolina, October, 1986

- Wrist Arthroscopy Workshop

American Society for Surgery of the Hand

Regional Review Course. New York, October, 1986

- Fractures/Dislocations of the Hand

The Greater Metropolitan Sports Medicine Society

Inaugural Meeting. New York, December, 1986

- Ligamentous Hand Injuries in Athletes

New York Society for Surgery of the Hand. Combined Orthopaedic/Plastic Hand Surgery

Meeting - New York Academy of Medicine

Sports Injuries of the Upper Extremity, New York, April, 1987

- Collateral Ligament Injuries of the Thumb

University of South Florida. Current Trends in Orthopaedics. Clearwater Beach, Florida

April, 1987

- Collateral Ligament Injuries of the Thumb, Repair and Reconstruction

- Scaphoid Nonunion - Treatment with Bone Grafting and Pulsing Electromagnetic Fields

Foundation for Hand Research, Concepts of Hand Therapy Course, New York
October, 1987

- Treatment, Philosophies and Surgical Management of Rheumatoid Arthritis

New York State Athletic Commission, **Second Annual International Boxing Symposium**. Swan Lake, New York
September, 1985

- Care of Hand Injuries in Boxing

New York University Medical Center, **Orthopaedic Grand Rounds**
October, 1985

- Arthroplasty of the Arthritic Hand

American Society for Surgery of the Hand **Regional Review Course**
New York, October, 1985

- Skin Coverage of Fingertip and Hand Wounds

AO/ASIF Hand Course. Hawaii, October, 1985
Course Instructor

POST-GRADUATE COURSES

Medical Society of the State of New York/New York Society for Surgery of the Hand.
Annual CME Assembly. New York, March 1986

- Latest Concepts in the Treatment of Wrist Fractures and Dislocations

Hospital for Joint Diseases Orthopaedic Institute
British Traveling Fellows Scientific Program.
New York, May, 1986

- Rigid Fixation of Hand Fractures

American Academy of Orthopaedic Surgeons
Richmond, Virginia, June, 1986

- Arthroscopy of the Upper Extremity

New York University Hand Surgery Conference.
New York, July, 1986

- Interfragmentary Compression of Phalangeal Fractures

New York State Athletic Commission. **Third Annual International Boxing Symposium**.
Swan Lake, New York, August, 1986

- Hand Injuries in Boxing

New York University Hand Surgery Conference
New York, August, 1986

- Current Concepts of Wrist Injuries

American Society for Surgery of the Hand
Regional Review Course. New York, October, 1987

- Fractures and Ligament Injuries of the Hand

American Association for Hand Surgery
Annual Meeting, San Juan, Puerto Rico, November, 1987

- Fractures and Ligamentous Injuries of the Hand

American Association for Hand Surgery
Annual Meeting, San Juan, Puerto Rico, November, 1987

Instructional Course Chairman and Speaker

- Athletic Injuries of the Wrist and Hand

POST-GRADUATE COURSES

American Society for Surgery of the Hand.
Primary Care Course. Diagnosis & Pitfalls of Common Hand Injuries.
Course Chairman and Speaker, New York, November, 1987

- Joint Injuries of the Hand

Medical Society for the State of New York/New York Society for Surgery of the Hand
Annual CME Assembly, New York, April, 1988

- Clinical Examination, Evaluation and Differential Diagnosis of Upper Extremity
Neuropathies

ABC Traveling Fellows Scientific Program. Hospital for Joint Diseases, New York,
1988

- Open Treatment of Distal Radius Articular Fractures

Foundation of Hand Research. Annual Meeting, New York, October, 1988

- Ligamentous Injuries of the Athlete's Hand

New York State Athletic Commission. International Symposium on Medical Aspects of
Boxing. New York, November, 1988

- Hand Injuries in Boxing

New York University Hand Surgery Conference, New York, March, 1989

- Triangular Fibrocartilage Complex Disruption

American Society for Surgery of the Hand. Seattle, Washington, September, 1989
Symposium:

- Management of Intraarticular Fractures of the Distal Radius

ABC Traveling Fellows Scientific Program

New York, October, 1989

- Distal Radius Fractures

Hospital for Joint Diseases/New York University Medical Center

Instructional Lectures, New York, October, 1989

- Wrist Injuries in Athletes

American Society for Surgery of the Hand

New York, October, 1989

- Anatomy of the Wrist
- Treatment of Fractures and Ligament Injuries of the Wrist

POST-GRADUATE COURSES

World Boxing Council 1989 Convention

New York, November, 1989

- Hand Injuries in Boxers

American Academy of Orthopaedic Surgeons. Annual Meeting

New Orleans, LA, February, 1990

- Difficult Fractures of the Distal Radius

New York University Post-Graduate Medical School/American Association for Hand
Surgery

Hand & Wrist Injuries Among Professional Athletes

Course Chairman & Speaker

New York, June, 1990

- Boxer's Knuckle
- Triangular Fibrocartilage Complex Injuries
- Magnitude and Description of Hand & Wrist Injuries

St. Luke's-Roosevelt Hospital Grand Rounds

New York, June 1990

- Distal Radius Fractures

American Academy of Orthopaedic Surgeons

Upper Extremity Fractures & Management Decisions

Boston, MA, August, 1990

- Radial Head Fractures

- Distal Radius - Functional Anatomy, Fracture Classifications
- Unstable Distal Radius - Closed Reduction: Percutaneous Pins
- External Fixation
- Complex Fracture-Dislocations of the Wrist
- Herbert Screw Fixation of the Scaphoid

American Society for Surgery of the Hand
45th Annual Meeting, Toronto, Canada, September, 1990
Panel Participant:

- New Concepts in Treatment of Distal Radius Fractures

American Association of Hand Surgery
Traumatic Disorders & Reconstructive Surgery of the Wrist
Rochester, Minn, October, 1990

- Classification of Distal Radius: Indications for Specific Treatment
- Distal Radius Fractures: Open Reduction vs Closed Pins or External Fixation
- TFCC Tear - Spectrum of Injury

POST-GRADUATE COURSES

American Society for Surgery of the Hand
Regional Review Course
New Hyde Park, NY, October, 1990
- Anatomy of the Wrist

New York State Athletic Commission
1990 Boxing Symposium
Callicoon, NY, November, 1990
- Hand Injuries in Boxing

Washington Orthopaedic Society
Washington, DC, January, 1991
- Distal Radius Fractures

Georgetown University Hospital - Grand Rounds
Washington, DC, January, 1991
- TFCC Injuries & Perilunate Injuries

American Society for Surgery of the Hand
Specialty Day Meeting
Intra-Articular Fractures of the Elbow, Wrist, and Hand
Anaheim, CA, March, 1991
- Distal Radius Fractures - Changing Concepts of Management

United Scleroderma Foundation, Inc.
Fort Lauderdale, Florida, August, 1991

- The Surgical Approach to the Scleroderma Hand

American Society for Surgery of the Hand
Regional Review Course - Chairman & Participant
New York, October, 1991

- Anatomy of the Wrist

American Academy of Orthopaedic Surgeons
Upper Extremity Fractures & Trauma Management Decisions
San Diego, CA, November, 1991

- The Unstable Distal Radius Fracture Percutaneous Fixation/Pins. Open Techniques
- Complex Fracture-Dislocations of the Wrist

Surgical Skills Laboratory Leader:

- Radial Head Fracture- Herbert Screw Lab
- Scaphoid Fracture - Herbert Screw Lab

POST-GRADUATE COURSES

New York University Medical Center Orthopaedic Grand Rounds
New York, January, 1992

- Herbert 's Screw Fixation of the Scaphoid

Ohio State University Medical Center
Orthopaedic Grand Rounds
Columbus, OH, February, 1992

- Classification and Management of Articular Fractures of the Distal Radius

Greater Metropolitan Sports Medicine Society
New York, April, 1992

- Ulnar Nerve Entrapment

American Academy of Orthopaedic Surgeons
Injury to the Hand Its Sequelea
Pittsburgh, PA, May, 1992

- Intraarticular Fractures
- Surgical Skills Laboratory
- External Fixation

American Society for Surgery of the Hand
Regional Review Course in hand Surgery
New York, October, 1992

- Anatomy of the Wrist

University of California, San Francisco
Complex Distal Radius Fractures Course

San Francisco, CA, October, 1992
Course & Laboratory Participant

New York State Athletic Commission
International Medical Symposium
New York, January, 1993
- Hand Injuries in Boxing

International Boxing Federation
Annual Meeting
Albuquerque, NM, June, 1993
- Hand Injuries in Boxing

POST-GRADUATE COURSES

American Academy of Orthopaedic Surgeons
Summer Institute Program
New York, September, 1993
Elbow, Wrist, Hand: Contemporary Techniques
- Laboratory Leader:
 Scaphoid: Herbert Screw
- Laboratory Participant:
 Arm & Elbow Nerves
Distal Radius General Session
- Distal Radius Fractures - ORIF

American Society for Surgery of the Hand
Regional Review in Hand Surgery
New York, October, 1993
- Anatomy of the Wrist

Nassau County Surgical Society
Uniondale, N.Y., December, 1993
- Complex Fractures of the Distal Radius

United States Amateur Boxing
First Annual Ringside Physician's Course
U.S. Olympic Training Center
Colorado Springs, CO, March, 1994
- Hand Injuries in Boxers

Columbia-Presbyterian Medical Center
Grand Rounds

New York, April, 1994
- Scaphoid Fractures

University of California @ San Francisco
May, 1994
- Complex Distal Radius Fractures
Keynote Speaker
Course and Laboratory Participant

Univeristy of Medicine & Dentistry New Jersey
Robert S. Ochner Memorial Lecture
Grand Rounds
New Brunswick, N.J., May, 1994
- Scaphoid Fractures

POST-GRADUATE COURSES

International Wrist Investigators Workshop
Mayo Clinic, Rochester, MN, May, 1994
Session Moderator & Discusser

American Society for Surgery of the Hand
Disorders of the Wrist Course
Mayo Clinic, Rochester, MN, May, 1994
Moderator & Presenter

American Society for Surgery of the Hand
Regional Review Course in Hand Surgery
New York, October, 1994
- Anatomy of the Wrist

United Scleroderma Foundation
Patient Education Seminar
New York, October, 1994

Scaphoid Donor Graft for SLAC Wrist Arthrodesis
Seattle, WA
September, 2007

PAPERS PRESENTED AT REGIONAL OR NATIONAL MEETINGS

American Society for Surgery of the Hand
- Evaluation of Freeze-Dried Tendon Grafts
Las Vegas, February, 1977

American Academy of Compensation Medicine Symposium
- Fractures of the hand
New York, March, 1980

New York Society for Surgery of the Hand - New York
Academy of Medicine Combined Program
Program Chairman, Peripheral Nerve Injuries
New York, April, 1980

The American Fracture Association
- Closed Pinning of Metacarpal Fractures
New Orleans, May, 1980

Medical Society of New Jersey
- Reattachment Surgery of the Hand
Secaucus, NJ, May, 1980

American Society for Surgery of the Hand
- The Thenar Flap: An Analysis of 150 Cases

Las Vegas, February, 1981

Third New York State Conjoined Surgical Symposium
- Interfragmental Compression of Phalangeal Fractures
Hershey, PA, May, 1981

American Society for Surgery of the Hand - New York Society for Surgery of the Hand
Primary Care Update
- The Jammed Finger and Conservative Management of Fractures
New York, November, 1981

American Society for Surgery of the hand
- Osteonecrosis of the Scaphoid
New Orleans, January, 1982

American Academy of Orthopaedic Surgeons
- Articular Fractures of the Distal Radius
New Orleans, January, 1982

PAPERS PRESENTED AT REGIONAL OR NATIONAL MEETINGS

New York Academy of Medicine - New York Society for Surgery of the Hand
- Fractures of the Distal Phalanx
New York, April, 1982

American Society for Surgery of the Hand
- Osteonecrosis of the Scaphoid
- Fractures of the Scaphoid
- Fractures of the Carpal Bones Excluding the Scaphoid and Lunate
Longboat Key, Florida, May, 1982

American Fracture Association
- Open Treatment of Displaced Scaphoid Fractures
Clearwater, Florida, April, 1983

American Society for Surgery of the Hand
- Anesthesia for Hand Injuries
- Joint Injury - Ligament Tears, Dislocations Joint Fractures
Lake Buena Vista, Florida, November, 1983

American Academy of Orthopaedic Surgeons
- Primary and Secondary Repair of Collateral Ligament Injuries of the Thumb
Metacarpophalangeal Joint
Atlanta, Georgia, February, 1984

American Academy of Orthopaedic Surgeons
Upper Extremity Injuries in Athletes
- Phalangeal/Metacarpal Fractures/Collateral Ligament Injuries in Athletes
- Injuries of the Distal Radius
Washington, DC, June, 1984

American Society for Surgery of the Hand
- Palmar Plate Reconstruction in Athletes
New Orleans, Louisiana, February, 1986

American Academy of Orthopaedic Surgeons
- Phalangeal Osteotomy and Interfragmentary Compression for Malunited Phalangeal Fractures
New Orleans, Louisiana, February, 1986

American Society of Hand Therapists
- Changing Concepts in Postoperative Management of the Rheumatoid Hand
Presented with Susan Collura, P.T.
New Orleans, Louisiana, February, 1986

PAPERS PRESENTED AT REGIONAL OR NATIONAL MEETINGS

American Society for Surgery of the Hand
- Radial Instability of the Thumb Metacarpophalangeal Joint
Presented with Richard S. Basuk, M.D.
New Orleans, Louisiana, February, 1986

American Society for Surgery of the Hand
- Electrodiagnostic Studies of Median Nerve Entrapments in the Proximal Forearm
Presented with Bradford W. Edgerton, M.D.
New Orleans, Louisiana, February, 1986

American Society for Surgery of the Hand
- Articular Surgery for the Scleroderma Hand
Presented with Paul Metzger, M.D.
San Antonio, Texas, September, 1987

American Association for Hand Surgery
- Concomitant Fracture of the Scaphoid and Distal Radius
Presented with Joel Grad, M.D. and Keith Raskin, M.D.
San Juan, Puerto Rico, November, 1987

American Association for Hand Surgery
- Synovectomy, Distal Ulna Resection, and Extensor Carpi Ulnaris Tenodesis for the Rheumatoid Wrist
Presented with John S. Taras, M.D.

San Juan, Puerto Rico, November, 1987

American Society for Surgery of the Hand

- Triangular Fibrocartilage Complex Disruption: Correlation Between Preoperative Magnetic Resonance Imaging and Operative Pathology

Presented with Christopher Leber, M.D.

Baltimore, Maryland, September, 1988

American Society for Surgery of the Hand

- Fractures and Ligament Injuries of the Hand

New York, N.Y., October, 1988

American Society for Surgery of the Hand

- Intraarticular Fractures of the Distal Radius - Classification and Treatment

- Acute Fractures of the Distal Radius and Ulna: Classification and Treatment

- Acute and Chronic Triangular Fibrocartilage Complex Tears

“The Wrist” Course, Tampa, Florida, November, 1988

PAPERS PRESENTED AT REGIONAL OR NATIONAL MEETINGS

American Academy of Orthopaedic Surgeons

- Triangular Fibrocartilage Complex Disruption - A Continuum of Injury

Presented with Ross Nathan, M.D.

- Panel Presentation - Complex Fractures of the Distal Radius

Las Vegas, Nevada, February, 1989

American Association for Hand Surgery

- Operative Treatment of Distal Radius Fractures in the Senior Populace

Presented with Michael S. Grenis, M.D., Keith B. Raskin, M.D. and Keith Segalman, M.D.

Boston, Massachusetts, October, 1990

American Academy of Orthopaedic Surgeons

- Perilunate Injuries: Anatomic Repair by Combined Dorsovolar Approach

Presented with Michael Murphy, M.D. and Keith B. Raskin, M.D.

Anaheim, California, March, 1991

American Society for Surgery of the Hand

- Closed Pinning of Unstable Metacarpal Fractures

Presented with Keith B. Raskin, M.D., Joel Frazier, M.D. and Keith Segalman, M.D.

Wrist Investigator’s Workshop

- Direct Repair of Acute Scapholunate Ligament Disruption through Combined Dorsal/Volar Approach. Long Term Followup with Perilunate Injuries

Symposium Participant:

- New Concepts in Treatment of Distal Radius Fractures
Orlando, Florida, October, 1991

American Academy of Orthopaedic Surgeons Annual Meeting

Symposium Participant:

- Fractures of the Distal Radius & Ulna
Washington, D.C., February, 1992

American Society for Surgery of the Hand. Annual Meeting

- Limited Open Treatment for Distal Radius Articular Fractures.
Presented with Keith B. Raskin, M.D., Keith A. Segalman, M.D.
Phoenix, Arizona, November, 1992

PAPERS PRESENTED AT REGIONAL OR NATIONAL MEETINGS

American Academy of Orthopaedic Surgeons. Annual Meeting

- Herbert Screw Fixation Compared to Kirschner Wire Fixation in Treatment of Scaphoid Nonunions.
Presented with Keith B. Raskin, M.D., Paul C. Bettinger, M.D.

American Society for Surgery of the Hand Specialty Day Meeting

Scientific Session - Injuries of the Distal Radioulnar Joint

Panel Participant and Presenter

- Instabilities of the DRUJ - Soft Tissue Stabilization
San Francisco, CA, February, 1993

American Academy of Orthopaedic Surgeons. Annual Meeting

- Static vs Dynamic External Fixation of Unstable Distal Radius Fractures
Presented with Keith B. Raskin, and Neal Shuren, M.D.

- Fracture-Dislocations of the Wrist - Current Concepts of Management
Course Chairman

International Wrist Investigators Workshop

- External Fixation Combined with Bone Grafting for Irreducible Distal Radius Articular Fractures
Kansas City, MO, September, 1993

American Society for Surgery of the Hand. Annual Meeting
- Arthrodesis of the Rheumatoid Wrist: Simplified Fixation with Uncomplicated Union
Presented with Joel Frazier, M.D., Abram E. Kirschenbaum, M.D. and Keith B. Raskin, M.D.
Cincinnati, Ohio, October, 1994

American Academy of Orthopaedic Surgeons. Annual Meeting
- Galeazzi Fracture-Dislocation: Long-Term Assessment of Distal Radioulnar Joint Stability
Presented with Michael E. Rettig, M.D. and Keith B. Raskin, M.D.
Orlando, Florida, February, 1995

PAPERS PRESENTED AT REGIONAL OR NATIONAL MEETINGS

American Society for Surgery of the Hand. Specialty Day Meeting
- Predictable Fracture Patterns of Distal Radius Colles' Fractures
- Surgical Tactics - ORIF Melone Type IV Injuries

Athletic Injuries in the Hand & Wrist Instructional Course Lecture
- Wrist Injuries in the Athlete
Orlando, Florida, February, 1995

American Society for Surgery of the Hand. Annual Meeting. Course Chairman
- Fracture Dislocations of the Wrist - Current Concepts of Management

American Society for Hand Therapists. Annual Meeting
Course Chairman
- TFCC Repair and Hemiresection Arthroplasty for Traumatic Distal Radioulnar Instability
San Francisco, CA, September, 1995

American Academy of Orthopaedic Surgeons. Annual Meeting
Course Faculty Member, Paper Presentation & Discussor:
Papers Presented:

- Trapezial Excisional Arthroplasty , Ligament Reconstruction and Tendon Interposition Employing the Abductor Pollicus Longus Tendon: Technique and Results in 200 Patients

Presented by David Gilbert, M.D.

- Long-Term Assessment of Proximal Row Carpectomy for Chronic Perilunate Dislocations

Presented by Michael E. Rettig, M.D.

Course Faculty Member:

- Athletic Injuries of the Hand and Wrist
- Update on Traumatic Wrist Disorders

American Society for Surgery of the Hand. Specialty Day

Course Faculty Member:

- Hand and Wrist Injuries in Athletes

Atlanta, Georgia, February, 1996

PAPERS PRESENTED AT REGIONAL OR NATIONAL MEETINGS

American Society for Surgery of the Hand. Annual Meeting

Instructional Course Faculty Member.

-Distal Radius Malunions: Current Concepts in Management

International Wrist Investigators' Workshop

Course Faculty Presenter

- MR Imaging for TFCC Disruption

Denver, Colorado, September, 1997

American Academy of Orthopaedic Surgeons

Instructional Course Faculty Member.

-Update on Traumatic Wrist Disorders

-Athletic Injuries of the Hand and Wrist

New Orleans, LA, March, 1998

American Society for Surgery of the Hand

53rd Annual Meeting

Instructional Course Participant

Distal Radius Malunions: Current Concepts in Management

Paper Presentation –

ORIF of Acute Scaphoid Proximal Pole Fractures – Herbert Screw Fixation
Presented by Michael E. Rettig, M.D.
Minneapolis, MN, September, 1998

New York Society for Surgery of the Hand
Regional Review Course in Hand Surgery
Anatomy of the Wrist
Treatment of Fractures and Ligament Injuries of the Wrist
New York, NY, September, 1998

American Academy of Orthopaedic Surgeons - Annual Meeting
- Distal Radius Fractures
Specialty Day Meeting
Anaheim, CA, February, 1999

American College of Sports Medicine – Annual Meeting
- Carpal Injuries
New York, NY, November, 2000

American Society for Surgery of the Hand – Annual Meeting
- Minimally Invasive Treatment for Subacute & Chronic Irreducible Distal
Radius Articular Fractures
Phoenix, AZ, October, 2002 – Presented by Steven Beldner, M.D.

PAPERS PRESENTED AT REGIONAL AND NATIONAL MEETINGS

American Academy of Orthopaedic Surgeons – Annual Meeting

- Articular Surgery for the Hand in Systemic Sclerosis (Scleroderma)
Presented by Andrew Thomas, M.D.

San Francisco, CA, March, 2004

American Society for Surgery of the Hand – Annual Meeting

- Digital Sympathectomy for Raynaud’s Syndrome in Limited Cutaneous
Systemic Sclerosis (CREST Syndrome)

Presented by Andrew Thomas, M.D.

- A Fluoroscopic Study to Determine the Accuracy of Intra-Articular
Step Off for Distal Radius Fractures

Presented by Anthony L. Finuoli, M.D.

New York, NY, September, 2004

American Society for Surgery of the Hand - Annual Meeting

Poster Presentations

- Volar Plate Reconstruction for Post-Traumatic Hyperextension Deformity of Proximal Interphalangeal Joint
Presented with Mark Khorsandi, D.O., Daniel B. Polatsch, M.D. & Steven Beldner, M.D.

- Silicone Arthroplasty for Osteoarthritis of the Proximal Interphalangeal Joint Employing the Dorsal Approach - Long Term Analysis
Presented with Steven Beldner, M.D., Daniel B. Polatsch, M.D. & Anthony L. Finuoli, D.O.
San Antonio, TX, September, 2005

American Academy of Orthopaedic Surgeons – Annual Meeting

Symposium – Management of Osteoporotic Wrist Fractures

- Minimally Invasive Open Treatment for Distal Radius Articular Fractures: Acute Injuries and Malunions

- Poster Presentation: Silicone Arthroplasty for Osteoarthritis of the Proximal Interphalangeal Joint
Presented with Steven Beldner, M.D., Daniel B. Polatsch, M.D., & Anthony L. Finuoli, D.O.

- Volar Plate Reconstruction for Chronic Post-Traumatic Hyperextension Deformity of the PIP Joint
Presented with Mark Khorsandi, D.O., Daniel B. Polatsch, M.D. & Steven Beldner, M.D.
Chicago, IL, March, 2006
